Description

This Justrite premium spill deck is a low profile solution to eliminate spill concerns when drums are filled for dispensing.

- This product is also ideal for chemical and battery storage.
- Manufactured from High-Density Polyethylene.
- Complies with code of practice.
- Holds six (6) drums only.
- Unique joining clips allow you to build customised solutions by joining units together.
- Add our companion ramp to make loading and unloading heavy drums a breeze.
- Please note, spill decks are not suitable for storage purposes. Appropriate for decanting only.
- **NOTE:** *Storage Drums/Containers are not included.*
