Description

Lockout Tagout (LOTO) Safety Tags are an effective way to communicate important safety and maintenance requirements in your facility.

Does your workplace utilise suitable identification and labelling practices? Lockout Tagout is vital for temporary use to ensure equipment and other machines are turned off and remain so during scheduled maintenance.

Safety tags are available in a range of colours, materials and variations depending on their intended use. These tags can be used for inventory checks and inspections, or to indicate electrical hazards, other dangers or even equipment status.

- Tags are easy to write on with pen or pencil
- **Tag Material:** Cardboard (with steel eyelet)
- **Tag Size:** 75mm x 160mm
- **Tag Pack Quantity:** Pack of 25 safety tags
