Nullarbor Clear Lens Anti-Fog Safety Glasses

Product Images

Description

Australia's favourite safety spectacle. Polycarbonate scratch-resistant lenses offer 100% UV protection with wide vision and built-in side protection. Wrap-around styling and lightweight frame combine with soft feel temple ends for maximum comfort. Choose a clear lens for Indoor Protection, Smoke Lens for Outdoor protection. This is an Anti-Fog version as well.

- Certified AS/NZS 1337 Medium Velocity Impact
