

Pinch Point Can Cause Severe Personal Injury Caution Sign

Product Images

Description

Use this **Pinch Point Can Cause Severe Personal Injury Caution Sign** to caution workers to keep clear of the pinch point as it is a hazard that may cause injury or harm.

- Commonly found in manufacturing facilities where fast-moving machinery with known pinch points are located.
- Features black wording, symbol and border over a bright yellow background.
- Available in a wide range of AS1319 compliant sizes and materials to suit any requirement.
- Caution signs should be placed either in advance of, next to and/or on the relevant hazard.

- Positioning and [sizing](#) of this Caution sign must comply with Australian Standard AS 1319-1994.
- Please note, Australian Standard AS 1319 states that caution signs cannot be used to warn of a hazard that is likely to be life-threatening (Bronson Safety recommends using a danger sign instead).
