Description

Fire Door Keep Closed Plus Caution Symbol Caution Sign is a very common caution sign, used to warn workers and visitors that the nearby door is a fire door and must be kept closed for emergency purposes.

- Commonly found in any building with fire doors and where people are prone to leaving the fire door open.
- Features black wording, symbol and border over a bright yellow background.
- Available in a wide range of AS1319 compliant sizes and materials to suit any requirement.
- Caution signs should be placed either in advance of, next to and/or on the relevant hazard.
- Positioning and [sizing](#) of this Caution sign must comply with Australian Standard AS 1319-1994.
- Please note, Australian Standard AS 1319 states that caution sign cannot be used to warn of a hazard that is likely to be life-threatening (we recommend using a danger sign instead).
