

# Retractable Barrier Post Yellow Post Black and Yellow Belt

## Product Images

## Description

Contemporary style at an economy price. This versatile indoor/outdoor Retractable Barrier System is the perfect solution to any budget requirements.

### Product Notes:

- This efficient design is both easy to set-up and to store away.
- Simply pull the webbing from the cassette and attach to a second post to create an instant barrier.
- The post is also available in black, red or stainless steel.
- Pole dimensions: 850mm(H) x 50mm(W)
- Base diameter: 360mm

- Base Weight: 7kg
- Retractable belt measures 50mm(W) x 2 metres in length.
- Note: 2 posts are required to form a barrier system.

\*Bulky item. Shipping charges apply
