

# Nailing Equipment In Use Caution Sign

## Product Images

---

## Description

Use this **Nailing Equipment In Use Caution Sign** to enforce safe behaviour by warning workers about the nearby use of potentially hazardous nailing equipment.

- Commonly found in pallet manufacturing facilities or warehouses with nail guns in use.
- Features black wording and border over a bright yellow background.
- Available in a wide range of AS1319 compliant sizes and materials to suit any requirement.
- Caution signs should be placed either in advance of, next to and/or on the relevant hazard.
- Positioning and [sizing](#) of this Caution sign must comply with Australian Standard AS 1319-1994.
- Please note, Australian Standard AS 1319 states that caution sign cannot be used to warn of a hazard that is likely to be life-threatening (we recommend using a danger sign instead).
