

Beware Of Crane Caution Sign

Product Images

Description

Use this **Beware Of Crane Caution Sign** to warn that a **crane** is in operation on the site and may pose an immediate or potential risk of injury/harm.

- Commonly found on construction sites where a crane is or may be operating.
- Features black wording, symbol and border over a bright yellow background.
- Available in a wide range of compliant sizes and materials to suit any requirement.
- Caution signs should be placed either in advance of, next to and/or on the relevant hazard.
- Positioning and [sizing](#) of this Caution sign must comply with Australian Standard AS 1319-1994.
- Please note, Australian Standard AS 1319 states that caution signs cannot be used to warn of a hazard that is likely to be life-threatening (we recommend using a danger sign instead).
