

Biological Hazard Caution Sign

Product Images

Description

Use this **Biological Hazard Caution Sign** to warn of a potential hazard from a nearby biohazard that may pose a threat to human health.

- Commonly found in a clear and visible position at the entrance to an area that contains or is thought to contain a biological hazard substance.
- Features black wording, symbol and border over a bright yellow background.
- Available in a wide range of AS1319 compliant sizes and materials to suit any requirement.
- Caution signs should be placed either in advance of, next to and/or on the relevant hazard.
- Positioning and [sizing](#) of this Caution sign must comply with Australian Standard AS 1319-1994.
- Please note, Australian Standard AS 1319 states that caution sign cannot be used to warn of a hazard that is likely to be life-threatening (we recommend using a danger sign instead).
