

Shared Zone Sign

Product Images

Description

This sign marks the beginning of a 'Shared Zone' area. A shared zone is an implementation of a living street in Australia and New Zealand, where pedestrians, cyclists and motorised traffic share the same road space. Special rules and speed limits apply for shared zones. Ideal for School Zones and areas surrounding a school.

- All Aluminium Shared Zone signs come pre-drilled with 2 centred holes for pole mounting.
- Use **BS2357 Class 1 Reflective Signs** for all public roads. These are compliant to the (MUTCD) Manual of Uniform Traffic Control Devices. This sign is a regulatory road signs in the R4 Speed series (R4-4).
- Use **BS1289 Class 2 Reflective Signs** where suitable on private property. For example Private Car Parks within Shopping Centres or Apartment buildings.
