

Tripping Hazard Caution Sign

Product Images

Description

Use this **Tripping Hazard Caution Sign** to warn of a potential trip hazard that may pose a risk of injury/harm.

- Commonly found on a side-kerb walkway or workplace hallway with a sudden step.
- Features black wording, symbol and border over a bright yellow background.
- Available in a wide range of AS1319 compliant sizes and materials to suit any requirement.
- Caution signs should be placed either in advance of, next to and/or on the relevant hazard.
- Positioning and [sizing](#) of this Caution sign must comply with Australian Standard AS 1319-1994.
- Please note, Australian Standard AS 1319 states that caution sign cannot be used to warn of a hazard that is likely to be life-threatening (we recommend using a danger sign instead).
