

Forklifts In Use Caution Sign

Product Images

Description

Use this **Forklifts In Use Caution Sign** to warn pedestrian workers or visitors about forklifts in an area, as these vehicles can pose a hazard if unnoticed.

- Commonly found in a warehouse with one or multiple forklifts, that also receives foot traffic.
- Features black wording, symbol and border over a bright yellow background.
- Available in a wide range of AS1319 compliant sizes and materials to suit any requirement.
- Caution signs should be placed either in advance of, next to and/or on the relevant hazard.
- Positioning and [sizing](#) of this Caution sign must comply with Australian Standard AS 1319-1994.
- Please note, Australian Standard AS 1319 states that caution signs cannot be used to warn of a hazard that is likely to be life-threatening (Bronson Safety recommends using a danger sign instead).
