

Mobile 3 Panel Safety Barrier

Product Images

Description

These easy to handle lightweight mobile expanding barriers are the preferred choice for safe and efficient barricading of various shopping centres, schools, childcare centres and hospitals throughout Australia. Constructed using durable polypropylene material they are virtually maintenance free, temperature resistant and will not damage or scratch floors. Uniquely designed with castor wheels for easy handling and fold away for storage. To barricade larger areas simply link additional units together.

- **Single barrier includes 3 panels. Extends to 3 metres.**
- Smooth finish for easy cleaning.
- Barriers simply link together to create a longer barricade.
- Panel dimension: 1000(L) x 800(H) x 50(W) mm
- Weight: 9kg
