

# Sandbags Hi-Vis Orange Heavy Gauge Vinyl (Pre-filled 7kg)

## Product Images

## Description

These heavy-duty pre-filled vinyl sandbags are designed to last. They are the preferred choice of Traffic Controllers, Civil & Construction and State Road Authorities across Australia.

- Ideal for use on temporary road signage including Multi Message Signs, Swing Stand Signs & Barrier Boards.
- These sandbags provide extra stability and safety to help prevent signage from being blown over in high wind and traffic areas.
- Easy to deploy.
- Manufactured from Hi-Vis orange heavy gauge **vinyl**.
- Sandbags are **pre-filled** with approximately 7kgs of sand and ready to use.
- All seams feature **reinforced stitching** and are sewn to prevent tears and spillage.

- Includes heavy-duty reinforced **webbing handle** for easy carrying.
- Dimensions: 480 x 240 x 90mm.
- **Weight: 7kg**
