Description

The Howard Leight (HL-400) earplug dispenser offers easy access to single-use earplugs in any job site.

- Mounts to wall or stands as a table-top dispenser with balanced footing.
- The HL-400 provides a user-friendly source for earplugs – simply twist the spout to release earplugs.
- Place the HL-400 Earplug Dispenser by the shop door or in the lunchroom so workers can access a new pair of earplugs as they enter the workspace.
- Offers a cost-effective solution to outfitting many workers with hearing protection.
- **Choose re-fill canisters of 400 pairs of earplugs, or the refill bags of 200 pairs of earplugs if you already have a HL-400 canister and dispenser.**
- Durable plastic design is an economical choice for dispensing earplugs
- Twist knob to dispense earplugs
- Catch basin prevents earplugs from falling to the ground
- Holds 400 pairs of Howard Leight Single-Use earplugs: Max®, Laser Lite®, FirmFit™
