Premium Square Framed Hand Trolley 300kg (Puncture Proof Wheels)

Product Images

Description

This smart piece of Australian design halves the amount of effort required to tilt the load off the ground.

- Load Capacity: 300kg
- **Features Puncture Proof Wheels. No more flat tyres!**
- Trolley Size: 1290 x 370mm
- Toe Plate Size: 430(W) x 245(L)mm
- Net Weight: 21kg
- A spring-loaded foot-operated lever tilts the wheel axle into the best position for lifting and moving the load.

- A truly **heavy-duty steel trolley** that is designed to work and is guaranteed to last.
- The ultimatum in ergonomics means the hand trolley does the work for you.
- The trolley is designed for **high, flat load support**.
- Ideal for moving boxes, tubs and crates.
