

## Premium Square Framed Hand Trolley 300kg (Puncture Proof Wheels)

## **Product Images**

## **Description**

This smart piece of Australian design halves the amount of effort required to tilt the load off the ground.

- Load Capacity: 300kg
- Features Puncture Proof Wheels. No more flat tyres!
- Trolley Size: 1290 x 370mm
- Toe Plate Size: 430(W) x 245(L)mm
- Net Weight: 21kg
- A spring-loaded foot-operated lever tilts the wheel axle into the best position for lifting and moving the load.

- A truly **heavy-duty steel trolley** that is designed to work and is guaranteed to last.
- The ultimatum in ergonomics means the hand trolley does the work for you.
- The trolley is designed for **high**, **flat load support**.
- Ideal for moving boxes, tubs and crates.
