

Premium Twin Handle Hand Trolley 300kg (Puncture Proof Wheels)

Product Images

Description

This smart piece of Australian design halves the amount of effort required to tilt the load off the ground.

- Load Capacity: 300kg
- **Features Puncture Proof Wheels. No more flat tyres!**
- Trolley Size: 1290 x 370mm
- Toe Plate Size: 430(W) x 245(L)mm
- Net Weight: 21kg
- A spring-loaded foot-operated lever tilts the wheel axle into the best position for lifting and moving the load.

- A truly heavy-duty steel trolley that is designed to work and is guaranteed to last.
- The ergonomic design means that this hand trolley does the hard work for you.
- The twin handle model features a curved back.
- Additional drum hook is included for the safe transport of drums, kegs or sacks.
- Product is also suitable for moving boxes, crates and tubs etc.
