## Description

---

Protect employees and stay compliant with Australian WorkSafe regulations when storing flammable liquids in your facility.

- Reduces employee travel time and downtime by allowing **flammable liquids to be stored close to the worksite with no added risks.**
- FM rated with a 10-year guarantee.
- Exceeds Australian Standard AS 1940:2017.
- Adjustable height galvanised steel shelves rated for 159kg loading.
- Leak tight lower sump unit.
- Dual venting and adjustable feet for levelling.
- U-Loc handle with double key set.
- Can also accept additional padlock.
- Additional shelves are available for most sizes.
- Also available in [30 Litre](#), [100 Litre](#), [110 Litre](#), [160 Litre](#), [170 Litre](#), [250 Litre](#) and [350 Litre](#) capacities.
- Outdoor [Weather Proof Flammable Liquid Storage Cabinets](#) are available as well.

\*Note: This product is considered extremely bulky – Additional freight charges may apply for customers in regional areas or who require delivery by tailgate truck.
