

# Toxic Goods Storage Cabinet 100L

## Product Images

## Description

The best solution for storing toxic materials in one central location.

- "Toxic Substances" label is adhered to front.
- Two vents in the sidewalls of the cabinet.
- Adjustable shelf height to maximise storage space.
- Adjustable, levelling feet to prevent doors from binding.
- Doors open a full 180 degrees for ease of handling.
- Justrite brand - The **ONLY cabinet brand in Australia with FM Certification.**
- Cabinet complies with and exceeds all relevant Australian Standards.

- Cabinets come with a **TEN YEAR WARRANTY**.
- Complies to AS/NZ 4452:1997 Storage & handling of Toxic Substances.
- Also available in [30Litre](#), [60Litre](#), [160Litre](#), [250Litre](#), and [350Litre](#) capacities.

\*Note: This product is considered extremely bulky – Additional freight charges may apply for customers in regional areas or who require delivery by tailgate truck.
