

Weather Proof Flammable Liquid Storage Cabinet 250L

Product Images

Description

This Justrite™ Flammable Goods Cabinet is equipped to withstand even harsh outdoor environments.

- Fire tested and FM Approved. Exceeds Australian Standard AS1940-2017 compliance.
- Fully welded construction of 1.2mm thick steel.
- Double-walled with a 40mm thermal barrier.
- Superior electrostatic high gloss powder coat paint finish.
- Dual vents with built-in flash arresters.

- Close-fitting, sequential self-closing and latching doors.
- 3-point locking mechanisms.
- Leakproof fully welded 150mm deep containment sump.
- Shelves with built-in troughs to contain spills.
- Adjustable shelf height increments to maximise space storage.
- Adjustable levelling feet to prevent doors binding.
- Stainless steel hinges and weatherproof guttering.
- Includes handy forklift channels when necessary. These also help keep the cabinet dry while on the ground.
- Additional shelves may be added.

*Note: This product is considered extremely bulky – Additional freight charges may apply for customers in regional areas or who require delivery by tailgate truck.
