

Bulldog™ Spill Deck (2 Drum 80L)

Product Images

Description

Efficiently capture leaks and spills from drums and containers in any environment when dispensing.

- Tough polyethylene construction suitable for harsh indoor and outdoor environments.
- Highly visible and resistant to a wide range of industrial liquids.
- Rugged construction for additional strength and durability.
- Takes an industry-leading sump capacity of 80L and a massive load capacity of 1132kg.
- Individual units are nestable for efficient storage and transport.
- Easily transportable by forklift or pallet jack.
- Units include a unique clipping lip that allows individual units to be joined together.
- Please note, spill decks are for use when dispensing or filling drums, and are not suitable for storage. For long-term drum storage, purchase a spill pallet.
- 2-way Forklift Access
- Tyne Pocket Size: 215mm(W) x 85mm(H)

- **NOTE:** *Storage Drums/Containers are not included.*
