

Heavy Duty Crowd Control Barrier

Product Images

Description

Bronson's Heavy Duty Crowd Control Barriers are tough, portable and interlocking.

Product Notes:

- They are made from hot-dip galvanised steel for outstanding durability.
- Lockbolts are located at both the top and bottom of each panel to provide excellent stability when joining multiple panels together.
- Applications include outdoor events, street closures and festivals.
- Each panel comes with a flat steel naming plate should you require council or company identification.
- Dimensions: 2500(L) x 1100(H)mm
- Material: Hot Dip Galvanised
- Weight: 21kg
- Colour: Silver

- Bulk stock available.
