

Hazchem In Emergency Dial 000, Police or Fire Brigade Sign

Product Images

Description

- Indicates the storage or containment of Hazchem substances within a facility, vehicle or container etc.

- Features a white background with red wording 'HAZCHEM In Emergency Dial 000, Police or Fire Brigade'.
- Ideal for use in conjunction with other Hazchem signage, to inform staff and personnel of procedures in the event of an emergency.
- This sign is available in a large range of materials and sizes.
- Complies with Australia's WHS regulations and Australian Standard AS 1216–2006.
- Allows quick designation and identification of hazardous materials in a facility, vehicle or storage container.
- Designed to alert emergency services to the types of chemicals present.
- Hazchem signs are required to be prominently displayed on any workplace or vehicle etc. that stores the specific item or material over a certain quantity.
- It is important as a business to correctly label all hazardous chemicals using the appropriate Hazchem Signage.

Bronson Safety Hazchem signage meets the requirements of Australian Government Legislation.

- Read the Australian Dangerous Goods Code for more information (latest edition - 7.6) – [available here](#).
- For information on Hazchem labelling and signs in a workplace, read WorkSafe Australia's Model Code of Practice – [view here](#).
- For all other information, consult the Dangerous Goods Storage and Handling Regulations for your State or Territory – [click here](#).
