Description

Fire Extinguisher Discs are supplementary signs for identifying the location and type of portable fire extinguishers available.

- Portable fire extinguishers are often used for small fires and categorised by type with a corresponding colour band.
- This fire extinguisher disc is for **Powder B(E)** fire extinguishers that would have a matching white coloured band.
- Powder fire extinguishers are used for oil, liquid and electrical fires.
- Available in 200mm diameter in ABS Plastic, Polypropylene and Self Adhesive Vinyl.
