

Collapsible Bunding Station

Product Images

Description

Our collapsible-side bunding station provides another portable solution for wash down areas, refuelling stations, hazardous material storage and maintenance work.

- Extra high 300mm sides make this our highest capacity option.
- Side supports can be pegged into the ground for extra stability.
- Made from tough UV stabilised 900gsm PVC.
- Resistant to a wide range of chemicals.
- Quick and easy 1 person set up.
- Easily cleaned and folds away for convenient storage.

- **Available in 4 standard sizes;**

SKU: A0955 - Small: 1000mm x 1000mm - 300L capacity;
SKU: A0956 - Medium: 1200mm x 1200mm - 432L capacity;
SKU: A0957 - Large: 2000mm x 2000mm - 1200L capacity;
