

# Custom Hazchem Storage Sign

## Product Images

## Description

Hazchem Signs help to designate and identify certain hazardous materials in a storage facility, container or warehouse etc.

- Allows emergency services to quickly identify all chemicals present and the hazards involved.
- It is important as a business to correctly label all hazardous chemicals using the appropriate Hazchem Signage.
- For more information on Hazchem Storage Signs and Labelling for your workplace, [see here](#).

THIS SIGN IS A SAMPLE ONLY! You have 2 options to order your custom Hazchem storage sign:
