

Hi-Vis Safety Vest - Night (with Reflective Tape)

Product Images

Description

These N-Class high-visibility Safety Vests are durable and high-quality, guaranteed to suit any requirements.

- Features 50mm wide retro-reflective tape that exceeds AS/NZS 1906.4:2010 and is specially designed to shine under vehicle headlights and standard floodlighting.
- These Fluorescent vests meet the requirements of Australian Standard AS/NZS 4602.1:2011.

- Vests are made of a durable, lightweight and breathable polyester blend.
- Made in Australia, to suit Australian weather and conditions.
- Fantastic high-visibility quality for indoor or outdoor, day or night time use.
- Includes a convenient velcro fastening for quick and effective access.
- Contact us to arrange additional ID holders or extra pockets.
