

Bunding Station Foam Filled Sides

Product Images

Description

This Foam Bunding Station offers a great solution for wash down areas, refuelling stations, hazardous material storage and maintenance work.

- 100% memory foam will not lose its shape over time or with use.
- Heavy vehicles such as trucks and forklifts can be driven into the bunding area without damaging the foam sides.
- Made from tough UV stabilised 900gsm PVC and resistant to a wide range of chemicals.
- Quick and easy 1 person set up.
- Available in 4 standard sizes: Small, Medium, Large, Extra Large.
- Custom sizes and materials available upon request.

Note: Some bunding size options are made to order. To confirm availability or leadtime please contact us on 1300 095 701.
