

Hot Water Caution Sign

Product Images

Description

Use this **Hot Water Caution Sign** to warn that water nearby is likely to be very hot and may cause burns or other injuries if touched.

- Commonly found in commercial kitchens beside boiling water dispensers or in professional baths, showers and spa areas.
- Features black wording and border over a bright yellow background.
- Available in a wide range of AS1319 compliant sizes and materials to suit any requirement.
- Caution signs should be placed either in advance of, next to and/or on the relevant hazard.
- Positioning and [sizing](#) of this Caution sign must comply with Australian Standard AS 1319-1994.
- Please note, Australian Standard AS 1319 states that caution sign cannot be used to warn of a hazard that is likely to be life-threatening (we recommend using a danger sign instead).
