

Electric Fence Caution Sign

Product Images

Description

- Use this **Electric Fence Caution Sign** to indicate that a nearby fence is likely to be electric and to warn that it may cause a shock if touched.
- Commonly found in agricultural fencing areas or high-security areas including military installations or prisons.
- Features black wording, symbol and border over a bright yellow background.
- Available in a wide range of AS1319 compliant sizes and materials to suit any requirement.
- Caution signs should be placed either in advance of, next to and/or on the relevant hazard.
- Positioning and [sizing](#) of this Caution sign must comply with Australian Standard AS 1319-1994.
- Please note, Australian Standard AS 1319 states that caution signs cannot be used to warn of a hazard that is likely to be life-threatening (Bronson Safety recommends using a danger sign instead).
