

SpillSmart Floor Sweep Premium

Product Images

Description

SpillSmart Floor Sweep is Bronson Safety's premium absorbent product.

- **Available in two handy sizes: 5kg and 10kg bags.**
- Made from a combination of cellulose fibres like cotton, groundnut, stock feeds and fibrous flour.
- Suitable for indoor and outdoor land-based spills including Oils, Fuels, Solvents, Cooking Oils, Sewerage, Protein Fluids and other messy liquids.
- Reduces manual labour and effort as it is quick to absorb and leaves minimal residue behind.
- Strong wicking effect **instantly locks liquids into the absorbent fibres** ensuring they will not leach back into the environment
- Offers a fast, cost-effective and safe alternative to sawdust, paper and other clay-based absorbents.
- Floor Sweep products meet international standards for liquid release.
- It is biologically active due to naturally occurring microbes that assist in the biodegradation of the fuels and oils it absorbs.

- Multiple disposal options including landfill, bioremediation or incineration. Will depend on local disposal requirements and the liquids absorbed.

**Note, this product is not suitable for absorbing strong acid or alkaline solutions.*

Other types of spill kits available:

- General Purpose Spill Kits
- Hazchem Spill Kits
- Oil & Fuel Spill Kits
- Biohazard & Specialty Spill Kits
- Multi-Purpose Spill Kits
