

# SpillSmart Contaminated Waste Disposal Bag

## Product Images

## Description

---

SpillSmart Contaminated Waste Bags ensures the completion of a spill clean-up is handled safely and correctly.

The clearly marked heavy duty polyethylene bag clearly identifies the contents to ensure the waste is not misjudged as general waste.

Fill the bag to approximately  $\frac{3}{4}$  to ensure adequate length is available to securely seal the bag with a cable tie. These bags offer great strength and chemical resistance. Always dispose contaminated waste in accordance with government authorities.

### Designed for:

- Identifying contaminated waste
- Facilitate correct disposal of waste
