

Safety Mirror Indoor Oval 300mm(H) x 450mm(W) Polycarbonate Wide-View

Product Images

Description

This cost-effective and lightweight polycarbonate oval safety mirror is great for indoor use and ideal for indoor car parks, warehouses, and retail facilities. The oval shape allows a wider viewing image and lesser distortion than convex mirrors. The flat-top design also reduces dangerous glare from overhead lights in

indoor environments.

- Suitable for indoor applications requiring increased visibility.
- **Post mount and wall mount hardware is included.**
- **Suits 76mm ODI Post.**
- 360 degree swivel adjustment is provided with the 280mm long fixing arm.
