

Tobin Wall Stand Refill Bottles (5 x 1 Litre)

Product Images

Description

Effective, sterile and safe eyewash solutions for industrial use.

- Designed to empty under natural pressure, giving a soft flow with 6 streams of sterile saline solution.
- Specially designed system for fast application.
- Provides soft flow.
- Includes 5 x 1 Litre bottles to refill **A5607 Tobin Wall Stand**.
- Each 1-litre bottle gives approximately 3 minutes washing time.
- The sterile bottles have a 3-year shelf life from time of manufacture.
- Safer than competitors - Once air vent is opened, the flow cannot be increased by squeezing the bottle.
