

Tobin Transport Stand Refill Bottles (2 x 1 Litre)

Product Images

Description

Designed to empty under natural pressure, giving a soft flow with 6 streams of sterile saline solution.

- Specially designed system for fast application.
- Provides soft flow.
- Includes 2 x 1 Litre bottles to refill A5609 Tobin Transport Stand.
- Each 1-litre bottle gives approximately 3 minutes washing time.
- The sterile bottles have a 3-year shelf life from time of manufacture.
- Safer than competitors - Once air vent is opened, the flow cannot be increased by squeezing the bottle.
