

T Top Bollard - 8kg Base Only

Product Images

Description

Bronson Safety T Top Bollards are incredibly durable, flexible and long lasting making them far exceed other options on the market. This product is the preferred choice of Traffic Controllers, Civil & Construction companies, and specified by State Road Authorities across Australia.

Product Notes:

- Equipped with 3M 3310 Prismatic Class.
- This 8kg octagonal base is for additional stability in high traffic environments or windy locations.
- To be used in conjunction with T Top Bollard Pole – available separately.

*Bulky item. Shipping charges will apply.
