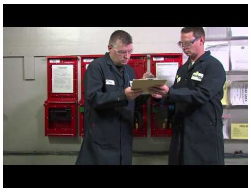
Wall Mount Permit Control Station w/ Group Lock Box & Display Case

Product Images

Padlocks not included – sold separately



Description

A complete lockout station including Wall Mount Group Lock Box & Document Display Case

- Group lockbox has 12 numbered lock holes for personal safety locks, and a latch hole designated for the control lock.
- Includes removable lock caddy for easy transportation of equipment locks to isolation points during lockout.
- Removable key cup in lockbox to collect and maintain visibility of secured key(s) during lockout, and easy retrieval of key(s) after release of lockout.
- This permit display case holds letter-size documents and other paperwork up to 297 x 420mm.
- 430-grade stainless steel with heavy-duty powder coating withstands outdoor elements and provides corrosion resistance.

- Wall-mounted for accessibility.
- Clear, impact-resistant windows for viewing permit and key(s) during lockout.
- Rubber seal on permit display case protects documents from water damage in outdoor applications or during cleaning.
- The rewritable tag provides an area to communicate station-specific information.
