

Self-Laminating Danger Tags - Do Not Operate

Product Images

Description

Long-lasting tags that withstand wash downs, humidity and extreme temperatures.

- Photo ID Safety Tag features a process that fuses graphics into rugged industrial-grade polypropylene blended with a metal additive.
- Ideal for indoor or outdoor use in e.g. food processing and pharmaceutical facilities.
- Resists water, grease, extreme temperatures, and common industrial chemicals.
- Durable construction withstands over 50lbs (22.7kg) of pull force.
- Provides a visual representation of the authorised employee.
- Durable Polypropylene with PVC self-laminate overlay.
- 5mm diameter brass grommet accepts a zip tie or most safety padlocks and lockout hasps.
- Customise with name, department, remarks and an employee-specific photo I.D. (Then add the laminate, for longer-lasting messages.)
- 1 qty = 12 tags and 12 ties
- Tag dimensions: 147(H) x 81(W)mm
