

Adjustable Lockout Cable

Product Images

Description

- Patented adjustable locking mechanism holds cable tight at any position for a perfect fit.
- Features 10mm diameter Braided steel for strength and flexibility.
- Python™ Adjustable Locking Cable 6ft (1.8m) long.
- The rust-resistant vinyl coating provides superior weather and scratch resistance.
- Cable end threads through places other cables cannot.
- Re-keyable wafer cylinder for maximum pick resistance.
- Can be keyed-alike to any standard M1 key cut.
- Rust-resistant lock and vinyl-coated cable.
- The strap holds excess cable for compact storage.
