Portable Roll-Out Absorbent Mat Oil & Fuel 900mm x 900mm

Product Images

Description

- Combines the efficiency of absorbent mats to catch spilled liquids with the convenience of a reusable, solid backed, roll up mat
- Solid base stops spilled liquids leaching onto the ground.
- The top layer is a heavy-duty shade cloth to allow for easy penetration of liquids onto the absorbent mat.
- Mats are re-usable and easily replaceable using the Velcro sides.
- Includes 1 x absorbent mat.
- Simply replace the absorbent mat (pack of 10 refill pads - A5722) when full.
- Fits 1 or 2 absorbent mats depending on the extent of the spill.
- Incorporates chain-weighted ends, which keep the mat deployed even in windy conditions.
- Easily rolls up for convenient storage - When finished simply roll up the mat, fasten with the loops and store.
- Convenient carry handle for easy carrying.
- Manufactured using heavy-duty UV stable PVC.
- Absorbs any Fuel, Oil & Non-Aggressive liquid spills, leaks or drips.
- Size: 900 x 900mm
- Dispose of the spent absorbent mat in a waste bag according to local regulations.
