

# Plunger Can Steel 1.9L 128mm Dasher

## Product Images

## Description

Plunger Cans help you quickly and easily moisten cleaning cloths or swabs.

- Dispense flammable liquids and solvents safely, without waste or exposure.
- New "smart pump" mechanism helps streamline your swabbing operations.
- Made of chemically resistant Ryton® and brass, the pump base is designed to leave less liquid in the bottom before having to refill.
- Pushing down on the pump assembly fills the upper pan with liquid.

- Surplus liquid drains safely back into reservoir.
- The perforated pan screen serves as a flame arrester.
- Top rims have moulded edge protectors for smooth, trouble-free moistening.
- Manufactured from rugged 24-gauge steel construction.
- Steel cans are finished in a tough, lead-free, chemical-resistant powder paint in either red or yellow.
- Backed by an industry exclusive Ten-Year Limited Warranty.
- FM Approved & Compliant.
- External Dimensions: 185mm(Diameter) x 187mm(Height)
- Dasher Dimensions: 128mm
