

Plunger Can Brass 1L 128mm Dasher

Product Images

Description

Plunger Cans help you quickly and easily moisten cleaning cloths or swabs.

- Dispense flammable liquids and solvents safely, without waste or exposure.
- Permit easy, one-hand dispensing of liquids directly onto work surface.
- Manufactured from corrosion-resistant, high-density polyethylene.
- Brass dispenser valves are leakproof and self-closing to minimize spills and control excess.
- Brass valves are FM approved and recommended for flammables.

- Rugged high-density polyethylene body is textured and shaped for a firm grip.
- External Dimensions: 141mm(Diameter) x 210mm(Height)
- Dasher Dimensions: 128mm
- FM approved and recommended for flammables
