

Bench Can Steel 8L 248mm dasher (No Basket)

Product Images

Description

Bench Cans provide an easy means of cleaning small parts in solvent.

- Simply place work on spring-loaded, perforated dasher plate, press down and agitate, then release to return dasher to drain position.
- Plated steel dasher is an effective flame arrester.
- Hinged cover minimizes evaporation losses.
- Protected rim reduces the possibility of hand injury.
- Cans are made of sturdy 24-gauge, lead-free coated steel and finished in a tough powder paint for added durability.
- Does not include a parts basket.
- FM Approved & Compliant.

- External Dimensions: 292mm(Diameter) x 149mm(Height)
- Dasher Dimensions: 248mm
