

# Keep Your Distance And Help Prevent The Spread Sign

## Product Images

## Description

---

This facility sign is designed to remind employees and members of the public to keep distance between themselves and other people.

- Suitable to assist in compliance with a company's workplace health and safety policies in relation to Social Distancing due to COVID-19.
- Manufactured from durable Polypropylene
- Dimensions: 300mm x 225mm
- Great for indoor or outdoor use.
- We recommend placing this sign in a high-visibility area at eye-height where other objects will not obstruct for maximum effect.
