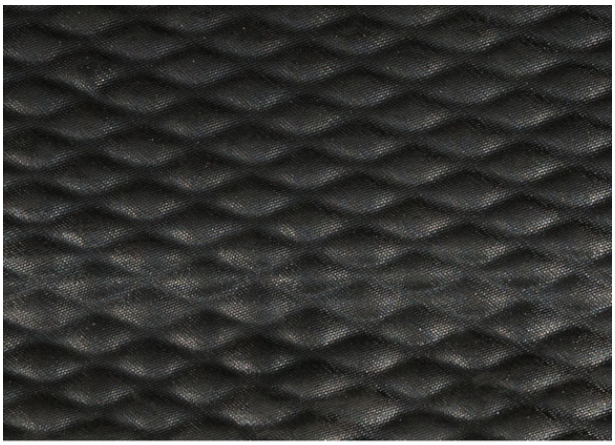
## Product Images



## Description

Dura Step matting is an ultra-comfortable anti-fatigue and non-slip mat. It is made from nitrile rubber sheeting bonded to thick closed cell, grippy PVC foam.

- The best anti-fatigue mat available!
- Ideal for dry areas such as checkouts, counters, production lines, warehouses and much more.
- Ultra comfortable feel provides relief from constant standing.
- Rippled surface gives excellent traction for user.
- Closed cell foam base is very durable and will not absorb liquid.
- 100% nitrile rubber surface resists damaging effects of greases oils and common chemicals.
- Easy to clean - mat can be brushed, mopped or wiped.

- Yellow safety border option increases visibility of mat.
- Available in black or with a hi-vis chevron yellow/black border.
- Mat thickness: 15mm
