

Bollard Storage Sleeve 90mm (Suits 1 Bollard)

Product Images

Description

Protect your new Removable Bollards with galvanized steel Bollard Storage Sleeves.

- Bolts supplied separately.

- Storage Sleeves are specially designed to store your bollard safely and efficiently.
- Helps to prevent unwanted damage and also reduce risk of bollard being a trip hazard for pedestrians when they are removed and not in use.
- **We recommend the A4468 Sleeve Anchor Bolts for concrete and the A4918 Hilti Anchor Bolts for bitumen applications.**
