Description

Protect your new Removable Bollards with galvanized steel Bollard Storage Sleeves.

- **Suits 2 x 140mm bollards.**
- Storage Sleeves are specially designed to store your bollard safely and efficiently.
- Helps to prevent unwanted damage and also reduce risk of bollard being a trip hazard for pedestrians

when they are removed and not in use.

- **Bolts supplied separately. We recommend the A4468 Sleeve Anchor Bolts for concrete and the A4918 Hilti Anchor Bolts for bitumen applications.**
