

Security Padlock Diamond Brass 40mm

Product Images

Description

Solid Brass Padlock features a 40mm wide solid brass lock body that is strong, durable and resists corrosion. The 6mm diameter shackle is 22mm long and made of hardened steel, offering extra resistance to cutting and sawing. The 4-pin cylinder prevents picking and the dual locking levers provide resistance against prying and hammering. Suitable for bollards, gates, storage units, cabinets and lockers.
