

Maintenance in Progress - Tri-Panel Safety Barrier Hi-Vis Yellow

Product Images

Description

- Lightweight and non-conductive, perfect for electrical work and maintenance.
- Folds away quickly and easily. Link two panels together to make a longer barrier.
- New "Maintenance in Progress" version features a clear vinyl A4 sized pocket, stitched on to the panel. Can be used to hold work orders and temporary signs printed from a laser printer.
- Ask about custom messages, get your company logo printed.
